

RULES OF THE SCHOOL BOARD OF PALM BEACH COUNTY, FLORIDA  
Title 6Gx50  
Chapter 5. Pupil Personnel  
Section 5.002

**Policy 5.002 Prohibiting Bullying and Harassment**

1. **Purpose.** The paramount goal of the School Board is to ensure a safe, secure, civil and respectful learning environment for all students and school employees. Bullying or harassment, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. It is important to change the social climate of schools and the social norms with regard to bullying and harassment. This requires the efforts of everyone in the school environment - teachers, administrators, counselors, other non-teaching staff, parents or legal guardians, and students. The purpose of this policy is to assist the School District in its goal of preventing and responding to acts of bullying or harassment and its compliance with the Jeffrey Johnston Stand Up for All Students Acts, Section 1006.147, and Florida Statutes.
2. **General Applicability of Policy.** This policy applies not only to students or school employees who directly engage in an act of bullying or harassment, but also to students or school employees who, by their indirect behavior, condone or support another student's or employee's act of bullying and harassment. The misuse of technology including, but not limited to, teasing, intimidating, defaming, threatening, or terrorizing another student, teacher, administrator, volunteer or other employee of the school district by sending or posting e-mail messages, instant messages, text messages, digital pictures or images, or Web site postings, including blogs, also may constitute an act of bullying or harassment regardless of whether such acts are committed on or off school district property and/or with or without the use of school district resources. This policy applies to any students or school employees whose conduct at any time or in any place constitutes bullying or harassment that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student, other students, or employees.
3. **Statement of Policy.** The School District prohibits bullying and harassment of any type of students or school employees, by either a student or a group of students, a school volunteer or visitor, or a school employee. Bullying and harassment are expressly prohibited on school district property or at school-related functions.
  - a. No teacher, administrator, volunteer or other school employee shall permit, condone or tolerate bullying and harassment.
  - b. The apparent permission or consent by a student being bullied or harassed does not lessen the prohibitions contained in this policy.
  - c. Reprisal or retaliation against a victim, good faith reporter, or a witness of bullying or harassment is prohibited.
  - d. False accusations or reports of bullying or harassment against another student are prohibited.
  - e. A person who engages in an act of bullying, reprisal, or false reporting of bullying and harassment, or permits, condones or tolerates bullying and harassment shall be subject to discipline for that act in accordance with school board policies.
  - f. The school district will act to investigate all complaints of bullying or harassment and will discipline or take appropriate action against any student, teacher, administrator, volunteer, or other employee of the school district who is found to have violated this policy.
  - g. The submission of good faith complaints or reports of bullying or harassment will not affect the reporter's future employment, grades or work assignments, or educational or work environment.

4. **Definitions.**
- a. **Bullying** means systematically and chronically inflicting physical hurt or psychological distress on one or more students or school employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve but is not limited to:
- i. Teasing
  - ii. Social exclusion
  - iii. Threat
  - iv. Intimidation
  - v. Stalking
  - vi. Physical violence
  - vii. Theft
  - viii. Sexual, religious, or racial/ethnic harassment
  - ix. Public humiliation
  - x. Damaging or Destruction of property
  - xi. Placing a student in reasonable fear of harm to his or her person or property
  - xii. Cyberbullying, as defined herein.
  - xiii. Cyber-stalking as defined herein.
- b. **Cyberbullying** means the use of electronic communication or technology devices, to include but not be limited to, e-mail messages, instant messaging, text messaging, cellular telephone communications, internet blogs, social websites (e. g. MySpace, Facebook, etc.), internet chat rooms, internet postings, digital pictures or images, and defamatory websites to engage in acts of bullying or harassment regardless of whether such acts are committed on or off school district property and /or with or without the use of school district resources. For off-campus conduct, the School District shall be responsive in cases where the off-campus conduct causes, or threatens to cause, a substantial disruption at school or interference with the rights of students to be safe and secure.

The School Board recognizes that cyberbullying can be particularly devastating to young people because:

- i. Cyber bullying is often engaged in off-campus, but the harmful impact is felt at school.
  - ii. Cyberbullying permits an individual to easily hide behind the anonymity that the Internet and other technology devices provide;
  - iii. Cyberbullying provides a means for perpetrators to spread their harmful and hurtful messages to a wide audience with remarkable speed;
  - iv. Cyberbullying does not require individuals to own their own action, as it is usually very difficult to identify cyberbullies because of screen names, so they do not fear being punished for their actions; and
  - v. The reflection time that once existed between the planning of a prank - or a serious stunt - and its commission is all but erased when it comes to cyberbullying activity.
- c. **Cyberstalking** means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person,

causing substantial emotional distress to that person and serving no legitimate purpose, as defined in Sec. 784.048(1)(d), F.S., as now or hereafter amended.

- d. *Harassment* means any threatening, insulting or dehumanizing gesture, use of data or computer software, or written or verbal or physical conduct directed against a student or school employee that
  - i. Places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
  - ii. Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits;
  - iii. Has the effect of substantially disrupting the orderly operation of the school; or
  - iv. Amounts to cyberbullying as defined herein.
- e. *Bullying and Harassment also encompass*
  - i. Any act of retaliation by a student or school employee against another student or school employee who alleges, asserts or reports a violation of this policy or participates in the investigation of a bullying or harassment complaint. Reporting an act of bullying or harassment that is not made in good faith is considered retaliation.
  - ii. Perpetuation of conduct listed in the definition of bullying or harassment by an individual or group with intent to demean, dehumanize, embarrass, or cause emotional or physical harm to a student or school employee by:
    - A. Incitement or coercion;
    - B. Accessing or knowingly and willingly causing or providing access to data or computer software through a computer, computer system, or computer network within the scope of the School District system;
    - C. Acting in a manner that has an effect substantially similar to the effect of bullying or harassment;
    - D. Cyberstalking as defined herein; or
    - E. Hazing as defined by Section 1006.135, Florida Statutes, as now or hereafter amended.
  - iii. Unwanted harm towards a student in regard to his/her actual or perceived traits or characteristics, including but not limited to age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender expression and/or identity, physical attributes, physical, mental or educational ability or disability, ancestry, socio-economic background, political beliefs, linguistic preferences, or familial status.
- f. *Immediately* means as soon as reasonably possible but within 24 hours or the next school day.
- g. *On school district property or at school-related functions* means all school district buildings, school grounds, and school property and property immediately adjacent to school grounds, school bus stops, school buses, school vehicles, school contracted vehicles, or any other vehicle approved for school district purposes, the area of entrance or departure from school grounds, premises or events, and all school related functions, school-sponsored activities, events or trips. School district property also may mean a student's walking route to or from school for purposes of attending school or school-related functions, activities or events. While prohibiting bullying and harassment at these locations and events, the school district does not represent that it will provide supervision or assume liability for incidences at these locations and events.

5. ***Expected Behaviors On School Property or At School Related Functions.***

The School Board expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all

school activities, and the care of school facilities and equipment. In addition to conducting themselves in a professional manner with supervisors, colleagues, and students, school administrators, teachers, staff, and volunteers will treat others with civility and respect, and will refuse to tolerate bullying or harassment. The School District finds that bullying and harassment, in an active or passive form, of any student or school employee is prohibited:

- a. During any school related education program, function or activity conducted by the School District;
- b. During any school-related or school-sponsored program, function or activity;
- c. While on school district property as defined by this policy; or
- d. Through the use of any electronic device, computer, or computer software that is accessed through a computer, computer system, or computer network of the School District. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary actions.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parent(s) or legal guardian(s), staff and community members, producing an atmosphere that encourages pupils to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district property on the part of students, school staff and community members.

All administrators, faculty, and staff, in collaboration with parents, students, and community members, will incorporate systemic methods for student and staff recognition through positive reinforcement for good conduct, conforming to reasonable standards of socially acceptable behavior, respecting the person, property, and rights of others, obeying constituted authority, responding to those who hold that authority, self-discipline, good citizenship, and academic success, as seen in the required school plan to address positive school culture and behavior.

Students are encouraged to support other students who walk away from acts of bullying and harassment when they see them, constructively attempt to stop them, and report such acts to the School Principal or his/her designee.

Students are required to conform to reasonable standards of socially acceptable behavior: respect the person, property and rights of others; obey constituted authority; and respond to the educational, support and administrative staff.

**6. Consequences for Prohibited Conduct, False Reporting and Reprisal or Retaliation.**

- a. *Act of Bullying or Harassment.* Concluding whether a particular action or incident constitutes a violation of this policy requires a determination based on all of the facts and surrounding circumstances.   - i. harassment by certified educators may result in a sanction against an educator's state issued certificate as provided in *The Principles of Professional Conduct of the Education Profession in Florida*, Rule 6B-1006, F. A.C.

- iii. Consequences and appropriate remedial action for a visitor or volunteer, found to have committed an act of bullying or harassment shall be determined by the School Principal after consideration of the nature, severity and circumstances of the act, including reports to appropriate law enforcement officials.

  - c. ***Reprisal or Retaliation.*** The School District will discipline and take appropriate action against any student, teacher, administrator, volunteer, or other employee of the school district who retaliates against any person who makes a good faith report of alleged bullying and harassment or against any person who testifies, assists, or participates in a proceeding or hearing relating to such bullying or harassment.
    - i. **The consequences and appropriate remedial action for a student, teacher, school administrator or school volunteer who engages in reprisal or retaliation shall be determined by the Principal or his or her designee after consideration of the nature, severity and circumstances of the act, in accordance with case law, Federal and State laws, School Board policies and any applicable agreements.**

  - i. The School Principal or designee will devise anonymous methods of filing a report of bullying or harassment by a student, parent, volunteer or visitor. Such formats may include electronic, drop-box, or telephone techniques for reporting, but the chosen format must promote safety and privacy. Although reports may be made anonymously by students, parents, volunteers or visitors, formal disciplinary action may not be based solely on the basis of an anonymous report. Independent verification of the anonymous report shall be necessary in order for any disciplinary action to be applied.
- e. Any written or oral reporting of an act of bullying or harassment shall be considered an official means of reporting such acts.

**8. *Investigation of Complaints.***

- a. The investigation of a reported act of bullying or harassment is deemed to be a school-related activity and begins with a report of such an act.
- b. The Principal or designee will begin a prompt investigation of the reported incident, but such investigation shall be commenced no later than the next school day.     - ii. A written final report to the School Principal.
  - f. The principal or designee will make a determination whether or not the reported act of bullying or harassment falls within the scope of the School District. If the situation could possibly fall outside the domain of the School District, the principal or designee will consult with School Police to determine if the alleged act should be managed as a criminal act.

16. ***Constitutional Safeguard*** This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by federal and state laws).
